

Diana Rein & Beverly 'Guitar' Watkins in Concert: Two Guitar Ladies of Blues Nov 11

(Prescott, AZ) - Acclaimed blues-rock guitarist Diana Rein aka "The Six-String Siren," teams up with former Grammy winner and blues guitar legend Beverly 'Guitar' Watkins (*pictured here*), for a performance together at Prescott Center for the Arts, on the PCA Main Stage ([208 N. Marina St., Prescott, Arizona](#)), Saturday, November 11.

Showtime is 7pm. Tickets are \$32 (advance) and \$38 at the door. Watkins will be backed by Prescott's own, RD Olson Band.

Beverly "Guitar" Watkins is the Georgia Music Legend Award Winner. If you've never seen a blues lady who can play guitar behind her head, belt out powerful songs, and lay down James Brown steps, you've never been in the audience when Beverly Guitar Watkins was burning down the house. As a teen she teamed up with the legendary Piano Red and has rocked venues with the best of them for 6 decades.
